Today's highlight

Listen to the new serie of the Community Radio Podcasts*:

Diversità senza filtri (Unfiltered diversity)

It address, ironically and sarcastically, the stereotypes that the people who are considered different, have to face every day. The episodes are interviews to typical "diverse" people: a person with disability, a person belonging to the LGBT Community and a person with a migration background.

Episode 1

Disability: Tales of challenges and triumphs
by Vincenzo Dolce

Episode 2

Migrants, what they don't tell you
by Francisco Bravo

Episode 3

Love Beyond Labels
by Lisa Ania Lima Cardoso

The podcast series stems from the desire to understand how different groups navigate life, even though society can be sometimes truly hostile.

*A series of community podcasts that elevate diverse, marginalized voices (created as application of the learning outcomes from the Community radio and Podcasting Training Programme).
