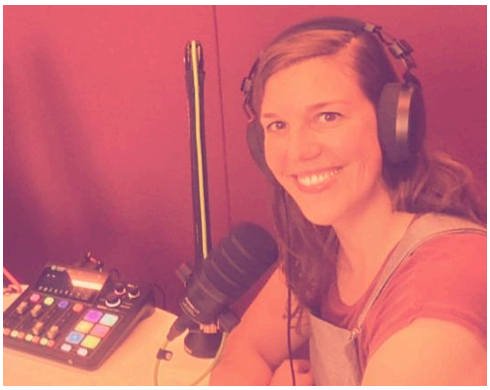
COMMUNITY RADIO EMPOWERING UNHEARD VOICES

Today's highlight



Listen to the Community Radio Podcasts

A series of community podcasts that elevate diverse, marginalized voices (created as application of the learning outcomes from the Community radio and Podcasting Training Programme).

A podcast series about Social Innovation in Local Communities: Social Innovators who contribute to positive social change in Freiburg, also wider in the South Baden region of Baden Württemberg and beyond. Our guests talk about their innovative approaches to social innovative approach to loneliness, community, family, integration, diversity, and supporting raising children and giving them role models to look up to. We hear about the Adaora Community that helps young people and families of diverse backgrounds with emotional support and various activities, we hear about how one initiative is helping students cope with loneliness, how one idea helps girls see themselves as scientist, writers, and more through a fashion approach and how social innovators in this region work together in the Social Innovation Lab.
