## Today's highlight

### Free online Community Radio and Podcasting Training Programme

Community Radio and Podcasting Training Programme is now available for learners seeking to enhance their skills in community broadcasting.

Designed specifically for adult learners from diverse backgrounds, including migrants, refugees, individuals with disabilities, the Training programme is structured into six engaging modules, covering everything from the basics of community broadcasting to advanced topics like funding and sustainability:

**Module 1** Introduction to the COMM UNITY broadcasting sector

**Module 2** Technical skills for community radio and podcasting

**Module 3** Content, preparation and management for the radio

**Module 4** Soft skills in community broadcasting setting

**Module 5** Programmemarketing including social media channels

**Module 6** Getting resources

[Go to the Training Programme](#)

Each module offers a set of digital badges - recognisable, electronic tokens of achievement that you can display on your resume or social media profiles. These badges are not just symbols; they represent your newly acquired skills and knowledge, making you a more attractive candidate in the job market or community initiatives.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Education and Culture Executive Agency (EACEA). Neither the European Union nor EACEA can be held responsible for them.
